

# KIDS NIGHT OUT (PARENTS NIGHT OFF)

*{We don't know who  
is more excited!}*

Dear Moms + Dads,

Us Future Doctors had a talk and you guys deserve a break. Make dinner reservations and grab a movie with your friends. Book Little Medical School Manhattan for us so we can have some fun! Consider it further education as we explore and learn. There's no rush! Let us know when you're ready!

To schedule your night out, **contact Dawn Young @:**
