Merit Badges

First Aid

We have educational first aid badge programs available for scouts of all ages. Whether it's an introduction to basic first aid or learning about CPR and more advanced lifesaving skills we've got something for everyone.

Our adapted veterinarian badge programs bring the science of caring for animals to life by using a blend of our exciting, hands-on curriculum and B.S.A.'s learning objectives.

Veterinary Medicine

Pricing Information:

- All of our Boyscout Badge programs range in cost from \$20 - \$25 / hr / child.
- We also require a minimum of 8 participants in order to run a program.
- Reach out to us for more info!
